

Gap Networks Round 2_BSLv4 Eligibility List.zip

This zip file contains the following files:

- **Gap Networks Round2_BSLv4 Eligibility List.csv**

This file contains a list of all CostQuest Fabric v4 BSLs (release date 12/31/2023) that are presumptively eligible for Gap Networks Round 2 funding and should be used to populate the Proposed BSL List template in the application.

- **Gap Networks Round2_All Massachusetts BSLs v4_1of2.csv**
Gap Networks Round2_All Massachusetts BSLs v4_2of2.csv

For reference only, these files contain a list of all CostQuest Fabric v4 BSLs (release date 12/31/2023) in Massachusetts, the associated funding status (eligible or ineligible), and reasons for ineligibility (e.g., served, funded or planned service). The dataset was split into two csv files in order to keep them below 1 million rows, so they may be opened in Excel.

- **Gap Networks Round2_BSLv4 Data Dictionary.pdf**

This file contains a list of field names, field descriptions, valid values and notes related to the csv files listed above.

Note: The comma delimited (csv) files may be opened using a wide range of programs, including text editors such as Notepad, spreadsheet programs such as Excel, and GIS software.
